## Maple Leaves Forever News

### Order your trees early to avoid disappointment

Orders for spring planting should be in to nurseries as soon as possible to ensure you get the varieties you want.

Check out our [list of Ontario Partner Nurseries](#) whose native maple trees are eligible for MLF's 10% Thank you Rebate.

Not sure what size or type of tree to order? We've got you covered with our guide to nursery stock: [What type of tree is best for me?](#)

### MLF at recent Industry Conferences

We were proud to participate in **Landscape Ontario's Congress** January 11 - 14, 2016 and **Forests Ontario's recent Regeneration Conference** on February 5th.

It's great to meet so many industry professionals who can help spread the word and plant Native Canadian Maples!

### MLF supports the Highway of Heros Living Tribute

### Check out our new Website!

We've revamped our site at [mapleleavesforever.com](http://mapleleavesforever.com) with a modern, vibrant new look, a responsive layout and some added features!

### Month-by-Month Maple Care Calender

Wondering what you should be doing through the seasons to keep your maples healthy and happy for years to come?

Check out our new [Maple Care Calendar](#) for everything you need to know! For your convenience, we have linked to more information on our website wherever it's available.

### Getting Social!

Did you know Maple Leaves Forever is active on [Twitter](#) and [Facebook](#)?

Follow us for regular updates, nursery news, local tree planting initiatives and tips on planting and caring for your trees.

planting initiative, which will plant 117,000 trees along Highway 401 as a "Living Tribute" to Canada's fallen soldiers. Many of these trees will be Native Canadian Maples, and appropriate maple cultivars that are well adapted to this challenging environment.

Visit [hohtribute.ca](http://hohtribute.ca) for more information, and to contribute to this important and uniquely Canadian project.

### MLF will be Key Sponsor of Forests Ontario's 2016 Envirothon

"The program aims to connect students with the environment in a way that is empowering, engaging, memorable, and informative." Find out more about this project, and how to participate at: [forestsontario.ca](http://forestsontario.ca)

### Canada 150 in 2017

Canada's 150th Anniversary is fast approaching! Why not celebrate by planting Native Canadian Maples to enjoy for decades to come?

Maple Leaves Forever is working on special plans for this important year - stay tuned!

### Why did I get this?

We've put together this email news list to inform, update and remind our subsidy applicants, nursery partners, and anyone else who might be interested about our activities and encourage the planting and ongoing care of more native maples in rural Ontario!

We will only send you 3 or 4 emails a year. You can unsubscribe from these mailings at any time. No hard feelings.

Feel free to share and forward MLF News to your friends and neighbours - and encourage them to plant native Canadian maples too!
